SEN SOK HIGH SCHOOL: #839, Street Duong Ngeap III, Sangkat Ou Baek K'am, Khan Sen Sok, Phnom Penh

CHBAR AMPOV: Beung Chhuk Village, Sangkat Nirot Khan Chbar Ampov, Phnom Penh, Cambodia

Founded in 2004, CIA FIRST International School is fully accredited by the Western Association of Schools and Colleges (WASC) and the Cambodian Ministry of Education, Youth and Sport (MoEYS). CIA FIRST is a model of excellence and innovation in global education.

We offer comprehensive choice of courses, delivered by a teaching faculty rich in expertise, creativity, and compassion. Our students continue to excel in and out of the classroom.

Our curriculum is designed to prepare students for success in the 21st century. By emphasizing the interconnectedness of subjects, we foster a deeper understanding of key concepts while honing essential life skills such as communication, collaboration, critical thinking, and creativity.

In addition, our school integrates Habits of Mind (HoM) into everyday learning. This program teaches 16 behaviors that shape how students think. Practicing these habits helps them solve complex problems intelligently. With this approach, we empower students to thrive academically while also gaining skills for their future beyond school. They learn to think critically across subjects, collaborate with others, and grow into independent, motivated learners. We aim to nurture our students' full potential as scholars and citizens.

Learners can participate in a wide range of programs outside of the classroom, including the Student Council, the Interact Club, Learner's Voice, Model United Nations (MUN), the Student Newspaper, the Reading Ambassador program, Technovation, Habitat for Humanity, and many other student-led initiatives.

At CIA FIRST International School, we empower students to reach their full potential as scholars and citizens in an academically rigorous yet supportive environment. Our innovative teaching approaches, modern facilities, and diverse academic and extracurricular programs provide a rich foundation for intellectual, creative, and personal growth.
